ANNUAL REPORT

ALL THEY NEED IS LOVE

“YOU MAY SAY I’M A DREAMER, BUT I’M NOT THE ONLY ONE”

A LETTER FROM THE EXECUTIVE DIRECTOR AND BOARD CHAIR

At Larimer Humane Society we strive to make Northern Colorado a place where every animal receives the love they deserve. Thanks to the support of our community, volunteers, donors, partners and staff we are able to provide community members with resources and information to responsibly care for their pets while providing love and care to animals in need.

This past year we felt the love from our community and poured that love right back into our mission! Thanks to the generosity of our supporters and closest friends we provided second chances to nearly 6,000 homeless, lost and abandoned animals and came within \$10,000 of our \$2.1 million goal for our capital campaign for our new shelter.

Our community’s on-going support and compassion allowed us to make great strides towards our mission. We are proud to report that this past year we were able to shorten the average length of stay for animals in our shelter and increase our return to owner rates. This means animals spent less time with us and more time in homes with the people who love them.

We continued to work towards our vision of being valued as an essential component to the high quality of life for animals and people in Northern Colorado. We harnessed the power of community through collaboration with other animal shelters for adoption events, spay/neuter promotions, transfer partnerships and took active leadership roles in the animal welfare industry. We strengthened our commitment to public safety by enhancing our dog bite prevention program and partnering with local law enforcement and other shelters on high-volume hoarding cases, and were even able to provide second chances to more than 70 Chihuahuas. These are just a few of the ways we are working to ensure community members and animals have

access to high-quality services in their time of need. As we look back on 2017 and celebrate all that we have accomplished, we can’t help but look forward to fiscal year 2018 with excitement as we prepare to move into our new forever home. Our new shelter will help us ensure the high quality of life for animals in our care and better provide the five freedoms every animal deserves. Each animal that enters our shelter gets quality food, vaccinations and medical care, a clean kennel, socialization, walks, playtime, cuddles and training; all delivered with love. The space, efficiency and functionality of our new shelter will allow us improve the quality of how we deliver these services. Over the past year our leadership team and other staff have put a lot of thoughtful time and energy into preparing for the transition and organizational change that will come along with the move to our new shelter. We’ve been busy at work to ensure we have the infrastructure in place to better serve our community and strengthen our commitment to healthier, happier animals.

Thanks to the support of our community and our partners, our dream of a better world for pets is right around the corner! But let’s not forget about the tremendous strides we’ve made together in 2017 and over the years to make Northern Colorado a great place for pets.

Sincerely,

Judith A. Calhoun, CFRE, CAWA

A YEAR OF SECOND CHANCES AT A GLANCE

When every other door in an animal's life closes, ours are open. We are proud to accept all animals, regardless of age, breed, health or temperament, and provide them with a second, and sometimes third or fourth, chance at love.

To measure and better understand our impact, we benchmark our efforts against a nationwide database called Shelter Animals Count. This database allows us to track our progress and save lives by guiding decision

making, highlighting areas of inefficiencies or opportunities for collaboration using a data-driven approach.

While we compare our statistics to national data, we treat every animal that comes through our doors as an individual in order to provide them with the customized care they need for the best outcome. We are excited to share with you a few of our impact areas from this past year.

RETURN TO OWNER RATES

Your pet is an important member of the family and we want to help keep it that way. During fiscal year 2017 we are proud to have increased our overall return to owner rates for stray cats and dogs by 6.2%.

In 2017 we celebrated:

89.6% success rate

returning stray dogs to their owners

- More than two-and-a-half times the national average of 35%

22% success rate

returning stray cats to their owners

- Nearly five times the national average of 4.5%

» Please see page 5 for more details

AVERAGE LENGTH OF STAY

A shelter can be a stressful environment for animals and we want nothing more than to help animals in our care find loving new homes as soon as possible. During fiscal year 2017 we are proud to have reduced our average length of stay for cats and dogs by nearly four days.

On average cats were in our care for just under 12 days

On average dogs were in our care for under 6 days

INTAKE OF OTHER ANIMALS

Cats and dogs aren't the only animals in need. Thanks to the collaborative work done through our community to reduce pet overpopulation we are able to help other animals with unique needs.

In 2017 we welcomed 12% more of other animals including, small mammals, exotics and barn yard animals.

BITE PREVENTION

In 2017 our organization worked collaboratively to enhance our bite prevention program to help protect public safety. Animal Protection & Control officers teamed up with our Humane Education, Marketing & Community Outreach teams to provide education and awareness on reading dog body language and how to safely interact with a strange dog to help reduce dog bites in our community.

In 2017 we:

- » provided 20 presentations to children and adults
- » created and distributed public service announcements
- » utilized social media and blog posts to help inform our community on bite prevention

INTAKE, ADOPTION, FOSTER & TRANSFER

Every day, more than 15 homeless, abused, neglected, unwanted and abandoned animals come through our doors looking for love. We are proud to provide them with a second chance for love.

5 FREEDOMS

The health, safety and well-being of both animals in our care and animals in our community is our number one priority. Our work is guided by five freedoms we believe every animal deserves.

1. **Freedom from hunger and thirst by ready access to fresh water and diet to maintain health and vigor.**
2. **Freedom from discomfort by providing an appropriate environment including shelter and a comfortable resting area.**

VETERINARY SERVICES

Our skilled veterinary staff works to heal sick animals, prevent disease and reduce pet overpopulation. Every day our veterinary staff saves lives and works to keep the animals in our care healthy and ensure they are free from pain, injury and disease.

ANIMAL PROTECTION & CONTROL

Animal Protection & Control officers are so much more than "dog catchers." Our Animal Protection & Control Officers work around the clock to make sure Northern Colorado is a great place for pets by upholding the ordinances that keep our community and the animals we share it with safe. They are at the forefront of our mission, working everyday to further the compassionate, safe and responsible relationship between animals and people.

» We partnered with Colorado State University's Veterinary Teaching Hospital to provide the opportunities for fourth-year veterinary students to perform 196 spay/neuter surgeries and other life saving procedures, increasing our organization's capacity and providing hands-on learning for students.

» We implemented new process for a medical exams upon arrival. This new process means all animals receive a physical exam by a veterinary technician within 24 hours of entering our shelter. These exams help identify medical issues earlier so our veterinary team can better care for animals and implement a treatment plan more quickly.

» Animal Protection & Control in support from our shelter, partnered with local law enforcement to assist with hoarding cases after a few community members found themselves overwhelmed by pet overpopulation in their homes due to the lack of spaying and neutering. Animal Protection & Control lead multiple rescues in 2017 and removed more than 100 pets from hoarding situations in Northern Colorado.

3. Freedom from pain, injury or disease by prevention or rapid diagnosis and treatment.
4. Freedom to express normal behavior by providing sufficient space, proper facilities and company of the animal's own kind.

5. Freedom from fear and distress by ensuring conditions and treatment which avoid mental suffering.

OUR NEW FOREVER HOME

After breaking ground at the end of our fiscal year 2016, our partners at Ditesco and Mortenson worked diligently to make tremendous progress towards the completion of our new shelter.

Everything from grading the land and completing the foundation, utility installation, underground plumbing, electrical work, framing and drying in the building, to painting and flooring and installing cages and kennels was completed this year.

We look forward to our fiscal year 2018 when we will get to move into our new forever home.

**“LOVE IS OLD, LOVE IS NEW,
LOVE IS ALL, LOVE IS YOU”**

ALL THEY NEED IS LOVE AND THANKS TO YOU THEY FIND IT

For the nearly 6,000 animals that come through our doors each year, your generous support makes a difference. Thank you for giving the gift of love.

The Circle of Champions represents our most generous annual donors who have given \$250 or more in the past fiscal year.

Heritage Circle

Heritage Circle members have made a lasting impact for animals by including Larimer Humane Society in their estate planning. Additionally, members are able to enroll their pets in the Pet Guardianship program, providing temporary foster care with Larimer Humane Society in case of the member's incapacity or death. For more information about both Heritage Circle and the Pet Guardianship Program, contact our Development Department at development@larimerhumane.org or by calling (970) 530-2948.
