Cat Care Volunteer

Description:

The Animal Care department is responsible for the daily care, feeding, cleaning and monitoring of all animals in the shelter. Along with daily hands-on care, Animal Care is also responsible for ensuring the shelter is sanitized and organized. Cat Care volunteers assist with these duties for the cats.

Objective:

To assist Animal Care Technicians with the daily care, feeding and cleaning of cats in the shelter. This position involves physical labor and direct animal contact and interaction.

Supervision:

Directly reports to the Volunteer Coordinator. Indirectly reports to Animal Care Supervisors, Lead Animal Care Technicians, the Shelter Supervisor, and Shelter Manager. Works closely with and receives training from Animal Care Technicians and experienced Animal Care Volunteers.

Requirements:

Cat Care Volunteers must be at least 16 years of age

Volunteers over the age of 18 must complete a national criminal background check and sex offender search

Cat Care Commitment:

Cat Care Volunteers must be able commit to a minimum of 2 hours per week for a minimum of six months.

Working Conditions:

All volunteer work will be performed in the animal shelter setting. There is a potential for exposure to zoonotic diseases and cleaning chemicals, exposure to dangerous and fractious animals, exposure to high noise levels when in kennel area, and a potential for animal bites and scratches while handling animals

Physical Activities:

Lifting of up to 50 pounds unassisted; kneeling, squatting, bending, cleaning kennels (scrubbing and mopping), handling animals of all temperaments, animal restraint

Training:

- Complete Volunteer Orientation
- Attend hands-on Animal Handling Training
- Attend on-the-job first shift training

Duties:

- Provides daily care for cats. This includes feeding, filling out daily logs, cleaning kennels, changing litter boxes, assessing basic feline health, and knowing when to inform Animal Care staff of an animal's health status and behavior
- Clearly understands cleaning protocols and applies our thorough disinfectant process when cleaning animal areas, dishes, laundry, and crates
- Clearly understands the use of personal protective equipment (PPE) - why, when, and how it is used and the nature of fomite and disease transmission in a shelter environment

- Clearly understands organizational animal handling policies and safety protocols and follows them at all times

Dress Code:

- Blue volunteer t-shirt
- Closed-toe shoes
- Long pants
- Please note that you will be handling cleaning chemicals and animals so be aware that clothing may get dirty.
