FOR IMMEDIATE RELEASE

NOCO HUMANE GREELEY ADOPTION CAMPUS TO OPEN IN 2025

Third Facility Will Add Critical Capacity to Care for Homeless Pets

LOVELAND, August 21, 2024 – In an effort to save more lives and expand its impact, NOCO Humane is proud to announce its plans for the NOCO Humane Greeley Adoption Campus. The campus will provide a welcoming space for potential adopters to meet homeless pets while helping the shelter increase its overall capacity to care for and rehome animals.

Located near the corner of 65th Avenue and Highway 34 in Greeley, the Adoption Campus will be a smaller, more intimate facility designed to make the adoption process as smooth and efficient as possible. The newly renovated facility will focus on housing adoptable animals and providing one-on-one interactions with prospective families. It will feature 30 kennels for dogs, 60 enclosures for cats, a space to house small mammals, as well as several dedicated meet-and-greet areas.

"We are looking forward to opening this new space to the public," said Judy Calhoun, NOCO Humane CEO. "With the growing number of animals coming into our shelters, the Greeley Adoption Campus is going to be critical in providing the space we need to better care for pets in Weld County."

The opening of the Adoption Campus comes as part of a larger initiative to expand NOCO Humane's capacity to serve the community. Since taking on the sheltering and care of animals in Weld County last October, NOCO Humane has seen a 57% increase in the number of animals coming through its shelter doors. By relieving pressure on its Weld Campus, located in Evans, the new Greeley Adoption Campus will enable more animals to be rescued and placed into permanent homes. Adoption services will still be available at both is Larimer and Weld Campuses.

"This third facility will not take the place of the brand new shelter we envision for Weld County, but it will help us bridge the gap," noted Calhoun. "The pets and people of Weld County deserve a first-rate shelter with comprehensive animal welfare services, and we intend to do everything in our power to make that a reality. The Greeley Adoption Campus is an important step in the right direction."

The campus is currently under renovation, and will open to the public in 2025. “We are deeply grateful for the support of our donors, volunteers, and community members who make ventures like this possible,” said Calhoun. “If you’d like to join us in making an impact for homeless pets in northern Colorado, please donate!”

For more information about how you can support the NOCO Humane Greeley Adoption Campus please email development@nocohumane.org.

About NOCO Humane

Founded in 1969, NOCO Humane (formerly known as Larimer Humane Society) is the largest animal welfare organization dedicated to homeless and abused animals in Northern Colorado. NOCO Humane is more than a shelter, this nonprofit organization serves as a community resource center and advocate for fostering compassionate, safe, and responsible relationships between animals and people. NOCO Humane provides adoption services, support for pet owners, and humane education for all ages. As the leader in animal welfare in Northern Colorado, the organization holds contracts to provide animal control and sheltering services for Fort Collins, Loveland, Berthoud, Timnath, Wellington, and Larimer County. Additionally, NOCO Humane provides animal sheltering services for Greeley, Evans, Johnstown, and Windsor. It is a local, independent nonprofit not affiliated with national organizations such as ASPCA or the Humane Society of the United States and does not receive funding from these organizations. To learn more about NOCO Humane, please visit nocohumane.org.

NOCO Humane owns and operates two animal shelters in Northern Colorado:

Larimer Campus (formerly Larimer Humane Society)

3501 E 71st St
Loveland, CO 80538

Weld Campus (formerly The Humane Society of Weld County)

1620 42nd St
Evans, CO 80620
