

## **Relief Veterinarian Independent Contractor (Evans, CO)**

NOCO Humane is seeking an experienced Relief Veterinarian to work on a contract or freelance basis. You will be responsible for providing high-quality veterinary care to animals in need during times of staff shortages or peak demand. The ideal candidate is skilled in veterinary care, can work under minimal supervision, and possesses a flexible schedule to meet the needs of the organization. If you're passionate about animal welfare and have the experience to back it up, we want to hear from you!

### **Duties and Responsibilities:**

- Provide veterinary services including diagnostics and treatments
- Assess animal health, diagnose conditions, and develop treatment plans
- Collaborate with the clinic team to ensure quality care for animals
- Communicate updates, concerns, and progress with veterinary staff
- Manage cases with attention to detail, ensuring follow-up care and proper documentation
- Ensure compliance with relevant veterinary laws, regulations, and ethical standards
- Perform spay/neuter surgeries, dental procedures, and other surgeries on shelter and owned animals
- Provide medical examinations, care, and monitoring for domestic and foster animals in compliance with basic standards of care
- Complete and maintain accurate medical treatment records (paper and electronic)
- Research treatment options for injured/ill shelter animals and make treatment or euthanasia recommendations
- Adhere to pre-set shelter protocols for treatment and medical decisions regarding shelter animals

### **Requirements and Qualifications:**

- Doctor of Veterinary Medicine (DVM)
- Valid Colorado veterinary license
- Must provide proof of, and maintain, Professional Liability Insurance.
- At least 1-2 years of experience in veterinary care (experience in a relief or emergency capacity is a plus)
- Strong diagnostic, surgical, and patient care skills preferred
- Ability to work in a fast-paced environment
- Excellent communication and organizational skills
- Ability to work independently and manage time efficiently with minimal supervision
- Compassion for animals and commitment to high standards of animal welfare
