

Behavior Supervisor (EVANS, CO Location)

Job Title:	Behavior Supervisor
Department:	Shelter – 07
Job Classification:	Full time; Hourly, Non-Exempt Position
Job Relationships:	Reports directly to Behavior Manager and indirectly the Associate Director of Operations. Supervises Behavior Coordinators and associated department volunteers. Working relationships include Client Services and Animal Care Teams, Foster/Transfer, Veterinary Services, Volunteer and Humane Education, the Supervisor and Management Team and other members of the Organization.
General Purpose:	The Behavior Supervisor, under the direction of the Behavior Manager, is primarily responsible for the supervision of the Behavior department. The department ensures animals are behaviorally assessed for outcomes including adoption, foster care, transfer, behavioral plans, medical attention or euthanasia. Ensures the enrichment needs of animals are met. Designs, documents and/or implements behavior-related programs. The position supervises three (3) or more staff members and associated volunteers. This is a working supervisor position and includes performing the duties of direct reports routinely and in their absence. Leads the training of others in animal handling, basic behavior, enrichment and more. Serves as an internal animal behavior and training resource and as an external resource.

This is a full-time, hourly position. The work schedules vary between 7:30 am – 7:30 pm on weekdays and 7:30 am – 6 pm on weekends. Work schedules generally include at least one weekend shift and are subject to change to meet business needs. Overtime is required, as needed. This position will regularly travel between all 3 campuses and some holiday work may be required.

Essential Duties and Responsibilities

Staff and Department Supervision:

- Supervises behavior staff and volunteers. Identifies and ensures appropriate training and development opportunities.
- Responsible for understanding all functions and tasks within scope of responsibility.
- Performs the duties of a Behavior Coordinator in their absence and as needed.
- Serves as the primary escalation point for Behavior-related and routing decision questions and concerns.
- Participates in staffing issues including hiring, performance reviews, coaching, counseling, disciplinary actions, positive recognition, scheduling and more.
- Provides monthly reports and data collection for department.
- Serves as the Department Volunteer Supervisor (DVS) and attends associated meetings as assigned.
- Responsible for effectively training staff in approved safe work practices and personally models safe work practices.
- Works cooperatively with other Organization departments and builds and maintains relationships.
- Attends and participates in Shelter Team, DVS, Supervisor/Manager, Behavior and Safety Team meetings.
- Works within approved budget and assists Shelter Manager with annual planning and budgeting.
- Actively participates in the development of applicable standard operating procedures and policies in accordance with organizational expectations.
- Consistently meets attendance and punctuality expectations.
- Models behavior and professional standards, policy and procedure adherence, and communication expectations.

Behavior/Training/Enrichment:

- Develops, documents and/or implements behavior protocols under the direction of the Shelter Manager and in alignment with Shelter capabilities and philosophy. Monitors results.
- Develops and/or conducts training programs and presentations (clicker, low stress, etc.) for staff, volunteers and others.
- Trains and supervises Behavior staff in the areas of behavior, enrichment, and behavior assessment procedures.
- Trains and certifies staff on safe and proper animal handling. Evaluates and/or creates and implements new training tools for

staff and department volunteers.

- Performs job duties in accordance with Fear Free Shelter Practices
- Performs behavior assessments of domestic animals daily and recommends pathways including adoption, foster care, and transfer to a placement partner, behavioral plans or euthanasia. Monitors overall health and welfare of the animals. Advises veterinarians about animals that may require medical examinations or possible treatments.
- Regularly answers behavior related calls from members of the community.
- Serves as a strategic member of committees and teams charged with the development and implementation of surrender prevention programs.
- Creates and implements animal enrichment and socialization plans, including play groups for dogs and cat socialization activities, to ensure the emotional needs of animals are met.
- Monitors Shelter population and overall health and welfare of animals housed within the Shelter.
- Advises Veterinary Services of animals requiring medical examinations or treatments; vaccinates animals as required and assists with examinations and/or treatment as needed.
- Responsible for Shelter behavior rounds.
- Learns and performs euthanasia and serves as a member of the euthanasia team.

Other Duties/Responsibilities

- Assists with animal placement (e.g., foster care, transfer to placement group, transfer into the Organization).
- Community liaison responsibilities as assigned.
- Assists Shelter Manager with operations as assigned and may assist with timekeeping duties.
- Promotes adoptions and provides adoption counseling when needed.
- Cross trains and assists other shelter departments as necessary including team assistance to the Foster and Transfer Department.
- Actively participates in and supports management decisions and works collaboratively within the Organization.
- Other duties as assigned.
